It is with great pleasure that we offer our special program to celebrate PESACH in Lido di Jesolo not far from Venice, where the 500th anniversary of the Ghetto, the first Ghetto in history was celebrated last year.

Lido di Jesolo is one of the most beautiful beaches of the Adriatic coast.

The long coastline of Jesolo is ideal for sports lovers and those who love to relax outdoors. Given the Mediterranean temperatures, relaxing on the beach or going for a walk in the pinewood forest is even possible in springtime.

The long beach of Jesolo stretches for 15 km from Porto di Piave Vecchia to the picturesque port of Cortellazzo, through the shady Pineta, an authentic green pearl inside the city. For families with children, there are plenty of playgrounds with dozens of games. And in the spring, there is no shortage of shopping opportunities in the long pedestrian island.

Highlights:

- Stay at "La Maison Hotel" near the beach in Jesolo. A few steps from the sea and the marina near the lighthouse.
- Comfortable rooms with bathroom, air conditioning, ceiling fan, telephone, satellite TV, safe and terrace rooms.
- Beach and private parking
- Sylvie Menasché Chief Organizer
- Chef Bruno Santi

Near the hotel:

- The water park Aqualandia, named, the best water park in Italy eight times is only 800

meters away

- The busiest nightclubs on the coastline can be found at 500 meters
- Two hundred meters away is the Pista Azzurra, for those who want to experience the thrill of driving a kart at full speed.
- For smaller children, there is the 250 meter long slope, while those aged 15 and over can try their hand on the 750 meter long track.
- There are also several Kart models boasting engines with various power and displacement, not far from the aquarium "Sea Life".

We invite you to carefully read the program and excursion proposals.
